- Experience of using Xero accounting software
- AAT or equivalent on the job training
- Proficient in the use of Microsoft Excel
- Experience of working with both Sales and Purchase ledger
- Experience of working to tight deadlines
- Organised with close attention to detail
- Able to operate under own direction with initiative
- Enjoys working on their own and as part of a team

Responsibilities

1. Undertake book keeping and financial administration tasks for the company.
2. Coding and entering purchase invoices, including scheduling prepayments.
3. Raising sales invoices, including managing regular repeat invoices and deferred income.
4. Preparing BACS payment runs.
5. Reconciling against multiple bank accounts as well posting receipts and payments.
6. Checking and posting employee expenses claims.
7. Maintaining intercompany accounts and making appropriate recharges.
8. Helping to undertake the preparation and submission of statutory returns including VAT, PAYE, National Insurance, company pension contributions.
9. Occasional contribution to tenders, reports and analysis of financial performance in relation to Creative Space contracts
10. To provide other related data and record management services (Money Laundering / GDPR) across the company.
11. Any other duties as requested the Directors in order to meet the changing needs and demands of the business.
